INSIDE

Our house: our nest, our refuge and now even our gym and office.

Let's rediscover the pleasure of small things and take care of ourselves.

Comfort is the new mantra.

Underwear becomes one with homewear: a new wave of minimalism made of versatile garments with a feminine touch.

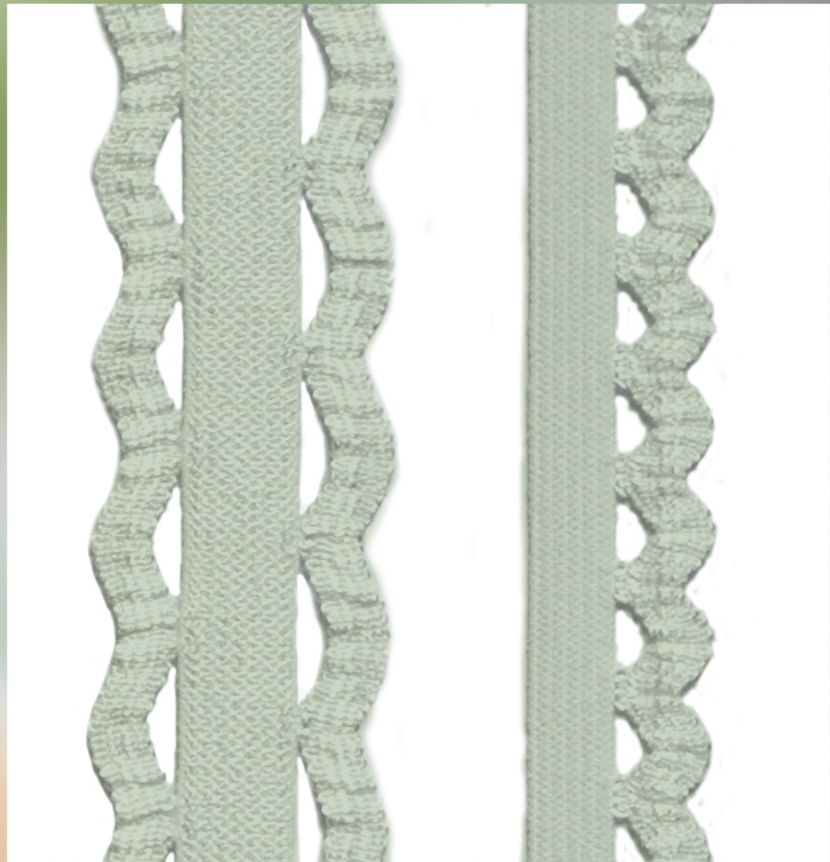

COLORS: a selection of light pastel and creamy tones for a warm and natural sensation.

OUTSIDE

A desire to go out, to discover a new world. Nature takes back its spaces.

A theme set in the Nordic countries, in a fabled and unspoiled nature.

Underwear perfect for any occasion: a day outdoors and a night full of mystery and charm.

COLORS: Purple tones and shades of blue, for a color range inspired by boreal lights.
